

## 2019 Summer Nights Evening Programming

Our 2019 Summer Nights Evening Programming is geared and modified for youth and adults with special needs of ALL abilities. This program is an extension of our year round evening creative arts programming and has been offered since 1999. This year the program will be held on Tuesday and/or Thursday evening's location is yet to be determined. We will hold camp at either Fairlawn United Church, 28 Fairlawn Ave. or at The York School, 1320 Yonge St. Toronto. If interested, please call to confirm location.

**Tuesday Night ShakespeareWorks Camp** exposes participants to the world of theatre and dance inspired by the work of Shakespeare. The group will work towards showcasing a small piece on the final camp date for family and friends. This program runs on Tuesday evenings for eight weeks.

**MultiArtWorks Evening Camp** spans the realm of fine arts while engaging participants in the three disciplines of drama, dance and visual arts. A small open class showcase will be developed based on participants' particular interests and talents. The Showcase takes place on the final camp date for family and friends. This program will run on Thursday evenings for eight weeks.

### **MULTIARTWORKS OPTION 1: Tuesday Evening ShakespeareWorks Camp**

### **MULTIARTWORKS OPTION 2: Thursday Evening Multi Arts Camp**

Often campers are given the chance to meet with guest specialists in the arts when available. With a camper to staff ratio of 5:1, our programs are tailored to the individual strengths and abilities of each camper. Every aspect of our programming is designed to be process oriented and campers enjoy our non-competitive atmosphere. We make every effort to build communication skills and to further the development of social skills while also enhancing self-esteem. Register for both evening evenings and save over \$80. Campers also have the option of enrolling for just one evening camp if preferred.
